Dear Sir

Your favor of the 23 instant with Passport for Adam Waltz, as well as duplicate Passport for Mrs Schanna Heinrich, has this day been received, and I am indeed under great obligation for your kind and prompt attendance to the matter. The Original Passport, issued on the 3 of June beaded Certificate of Naturalization of Oscar Heinrich, never reached me and must have been miscarried, because the present P. M. Mr Hughes and myself are now, and have been for twenty years personal friends, and any thing in the shape of letters 7.7.7. and ~~there~~ with the name, that sounds like my name is always presented to me. Mr Hughes thinks, that this plunder and a great many others were made at one house of our distributing office in this State. A duplicate Passport however, which you was good enough to forward I received some time ago, and the same was by me immediately forwarded to Europe. Mrs Heinrich having been compelled, to leave with the Steamer New York and I think all will be right. — So far as the Certificate

Certificate of Naturalization is concerned I matter, nothing
because Mr. Heimlich can always get a copy of the
Record or Duplicate Certificate.

Please accept my thanks for your kindness

DEPARTMENT OF STATE,

WASHINGTON, August, 1857.

Citizens of the United States visiting foreign countries are liable to serious inconvenience, if unprovided with authentic proof of their national character. Their best safeguard is a passport from this Department, certifying the bearer to be a citizen of the United States. Passports are issued gratuitously upon application supported by proof of citizenship.

This proof need be transmitted but once. On all subsequent occasions, a simple reference to it, and to the period when it was presented, will be sufficient.

When the applicant is a *native citizen of the United States*, he must transmit an affidavit of this fact, signed by him, stating his age and place of birth, and sworn to by himself, and one other citizen of the United States named therein, to whom he is personally known, and to the best of whose knowledge and belief the declaration made by him is true. This affidavit must be attested by a Notary Public, under his signature and seal of office. When there is no Notary in the place, the affidavit may be made before a Justice of the Peace, or other officer authorized to administer oaths.

If the applicant be a *naturalized* citizen, his certificate of naturalization must be transmitted for inspection. It will be returned with the passport. The widow or the children of a naturalized citizen must transmit the certificate of the naturalization of the husband or the father, stating under oath that they are such widow or children.

The application should be accompanied by a description of the person, stating the following particulars, viz: Age: 19 years. Stature: 5 7/8 feet inches (English measure.) Forehead: high. Eyes: Blue. Nose: broad. Mouth: medium. Chin: sharp. Hair: Brown. Complexion: fair. Face: large.

When the applicant is to be accompanied by his wife, children, or servants, or by females under his protection, it will be sufficient to state the name and ages of such persons, and their relationship to the applicant.

Persons who leave the country, expecting to obtain passports, whilst abroad, from the Diplomatic or Consular agents of the United States, are liable to disappointment; inasmuch as it is the duty of those agents not to grant documents of that character, except to persons who are certainly known to be entitled to them; and it is sometimes difficult, if not impracticable, to procure proof of this fact in a foreign country.

Certificates of citizenship or passports issued by State authorities, or by Judicial or Municipal functionaries of the United States, are not recognized by the officers of foreign governments; and by the twenty-third section of the act of Congress, approved on the 18th of August last, it is made penal for such authorities and functionaries to issue such passports.

Subscribed & sworn to at
Providence this 18th day of
June 1859 before me

Dear Sir

Mr. Schell of our place has shown me a letter in regard to "Passports" forwarded from your Department to him directed to this office; which has never been received, and in reply I must say that he has received every document of any kind sent to his address received at this office, or in fact any thing that should be similar to his address, which fact he is aware of. Now so as he and myself are very intimate and I am fully aware of his Applications in every case, and as he is one of our most conspicuous politicians it would be impossible to misplace any letter to his address in so small an office as this is.

The fault must be at some of the Distributing Offices as there is so many Cities and towns of the same name as this, and names similar, that letters and packages are too often mispent, and I must say carelessness seems to rule supreme at some of the Distributing Offices.

I judge so from the amount of mispent mail matter that is received at this office daily, and also the immense number of packages that are lost, intended for this office, I have this day addressed a note to the Honorable

Post Master General, in regard to this matter,
I assure you there is nothing that gives me more pleasure
than to have Correspondents receive their mail matter
from my office with correctness and punctuality, and
since I have had the Honor of holding the office, I have
spared no trouble, pains or expense to have it so.

Now I am fully aware of the great inconvenience and
often even heavy loss that occur through neglect of
persons not receiving their letters punctually.

Therefore be assured that all correspondence forwarded from
your Department or any other, to this office will be strictly
and punctually attended to in its delivery.

Respectfully,
Very Obedt Servant,

Sam Lewis Cass:

Sir:

Since troubling you

with my letter of 1st Inst
requesting a passport,
Mr. Debbey Horowitz will

accompany me. As I

understand, it is unnecef-

ary to have a separate

passport for her, but her

name may be inserted

in my passport. If there.

for it is now too late,
you will oblige me by
adding my mother's name
to mine. Your earliest
attention is requested.

Dear Sir,

I write you at the request of Miss Fanny Lee of this city to solicit from you the favor of directing a passport to be sent to her addressed to my care. Miss Lee finds herself obliged to leave for Europe and will probably have to visit several places on the Continent. To secure the company of her acquaintances she has to leave her home as soon as possible. This I trust will be a sufficient excuse for thus troubling you. She feared that unless your personal attention was asked some delay might occur.

I give below a description of Miss Lee which I believe is necessary to insert in the passport.

I remain Dear Sir

Yours truly

Yesterday at about 1 o'clock
just as I was preparing to place

reached me advising me to look
out for the Despatch Bag for the Pacific
which is to come on today. Be assured
I shall do that very thing, and tomorrow
every document entrusted to my care will
be upon the briny deep. On Sunday last
I boarded the Vanderbilt in the stream
took from her the Despatch bag and
yesterday morning unless you was leaving
the "Bird of Love" you might have perused
the latest news from the "seat of war".
During these war times I keep my eyes and

ears open to the velocity of Dispatch Bag.
I believe that with but one exception, since
I have filled this office not one moment's
delay has fallen at my door. And in
most instances I have given you
in the State Department the bag one
trip of the railroad in advance of the
mail. Such should be the case or why
have the office?

My excellent friend Abbot, wrote me
some two weeks ago that he should on
that day send me a sample of Brandy
that would make my hair curl. I have
not received it, and I fear the villain-
ous chaps around Adams Express Co. have
smelt the crathur and drained the bottle,
but lest I may be mistaken I will not
say a word about it nor would I have
you mention it to Mr. Abbot for the world.

Dear Sir

I am
much obliged to you for the
assistance you have kindly
given me in obtaining a
passport -- The Clerk in fill-
ing up the passport has made
an error in my name - whilst
I regret the necessity of troubling
you or the department further
in regard to it I still feel
unauthorized to correct
the passport - My business there
will require me to write my
name frequently & I could
not consent to disguise my
name in order to have it
correspond with that in
the passport - indeed the papers
I shall have with me would

expose such an attempt
& might seriously affect
my business - if not my per-

Gen & Cass,

I wrote some days ago enclosing to you a passport issued by Gov. Carey in 1853. — and desiring a new one, with proper indorsement for my wife, 2 children (3 & 4 years old) & a nurse. — requesting that it might be transmitted to this place, immediately as I leave for New York on Monday the 11th, to take Steamer "City of Baltimore" on Saturday 16th. —

It has not yet arrived —
— If not sent on receipt of this, may I ask you to send it, forthwith to me, directed to the "Care of The American Exchange Bank, New York City" —

I am a native of this County. — Gales & Seaton knew my father, the late Judge Perry

You & Cass, may probably
remember him —

DEPARTMENT OF STATE,

WASHINGTON, August, 1857.

Citizens of the United States visiting foreign countries are liable to serious inconvenience, if unprovided with authentic proof of their national character. Their best safeguard is a passport from this Department, certifying the bearer to be a citizen of the United States. Passports are issued gratuitously upon application supported by proof of citizenship.

This proof need be transmitted but once. On all subsequent occasions, a simple reference to it, and to the period when it was presented, will be sufficient.

When the applicant is a *native citizen of the United States*, he must transmit an affidavit of this fact, signed by him, stating his age and place of birth, and sworn to by himself, and one other citizen of the United States named therein, to whom he is personally known, and to the best of whose knowledge and belief the declaration made by him is true. This affidavit must be attested by a Notary Public, under his signature and seal of office. When there is no Notary in the place, the affidavit may be made before a Justice of the Peace, or other officer authorized to administer oaths.

If the applicant be a *naturalized* citizen, his certificate of naturalization must be transmitted for inspection. It will be returned with the passport. The widow or the children of a naturalized citizen must transmit the certificate of the naturalization of the husband or the father, stating under oath that they are such widow or children.

The application should be accompanied by a description of the person, stating the following particulars, viz: Age: *49* years. Stature: *5 ft 7* feet *9* — inches (English measure.) Forehead: *oval*. Eyes: *blue*. Nose: *small*. Mouth: *small*. Chin: . Hair: *gray*. Complexion: *light*. Face:

When the applicant is to be accompanied by his wife, children, or servants, or by females under his protection, it will be sufficient to state the name and ages of such persons, and their relationship to the applicant.

Persons who leave the country, expecting to obtain passports, whilst abroad, from the Diplomatic or Consular agents of the United States, are liable to disappointment; inasmuch as it is the duty of those agents not to grant documents of that character, except to persons who are certainly known to be entitled to them; and it is sometimes difficult, if not impracticable, to procure proof of this fact in a foreign country.

Certificates of citizenship or passports issued by State authorities, or by Judicial or Municipal functionaries of the United States, are not recognized by the officers of foreign governments; and by the twenty-third section of the act of Congress, approved on the 18th of August last, it is made penal for such authorities and functionaries to issue such passports.

It does not appear
that Mr. G. obtained
a passport in 1844.

There is some error
as to date.

the cause of delay in the answer to the first letter, but the nature
of the business requiring my return to the old country demands

Dear Sir

You will perhaps remember that when I was in Washington last May, I procured from you a passport for Europe, which I then contemplated ^{visiting} during the present month. Circumstances however occurred to prevent my doing so, and it is now my purpose to sail during the month of August. In the mean time I have been travelling from place to place and now on searching for my passport, I cannot find it, nor can I account for its being missing, unless it has been lost or mislaid, while I have been moving from place to place, or taken from my baggage by some mischievous person. I am therefore constrained to ask you to be good enough to furnish me with another and that you will be so kind as to mail it to me at this place, where I shall remain a week or ten days longer.

The names to be inserted in the passport will be Mr & Mrs John Wents and servant, and

Miss Gertrude E. Duffrey

I suppose it is not necessary to give Mrs Wents's name in full, nor the name of the servant, who is a colored woman.

But lest it should be I would mention, that Mrs Werts's
Christian name is Martha P, and the servants name is
Mary Brown.
